# COMMAND POLO

## COMMAND POLO

### *Lightweight, Snag-Free Polo*

Temperatures may climb but the 100% Polyester, modernly-designed Command Polo offers all-day coolness and comfort with lightweight, breathable, moisture wicking fabric technology. The Command Polo is built with non-snag knit fabric that offers natural stretch for a wide range of movement and additional comfort. Constructed with a longer shirt tail to ensure the garment remains tucked and a no-roll sport collar for a consistent look, the shirt maintains a sharp, professional appearance. The Command Polo can be worn as a uniform shirt and looks great with embroideries, and sewn on badges and patches or can be worn as casual wear. Stay comfortable, dry, and command authority with the Command Polo.

### FEATURES

- 1 // Leading edge collar stay maintains collar's professional look and allows for easy application of brass, collar pins and embroidery
- 2 // Polo design includes underarm gussets for comfort and freedom of movement
- 3 // Low-profile mic holders on both shoulder seams and below the center front placket
  - Polo features fabric with wicking and anti-microbial properties for all-day comfort
  - Anti-pick fabric for a clean, snag-free appearance
  - No-roll collar for consistent, crisp appearance
  - Longer shirt tail design in the back for maintaining a professional shirt tuck
  - Communications loop on the inside of back collar and wire pass-through on side seams
